Mercury Went To 101 Again Wed.

The mercury soared to 101 degrees again Wednesday afternoon, but the night was not as hot as Tuesday night, and today there was a break in the extreme heat of the past two days, but the forecast is for continued warm again Friday. However, it is not expected to be as hot as it was early in the week, when most all-time records for the period were broken in many cities. The extreme heat has cured the hay which was cut rapidly and many tons of clover and late alfalfa have been stored during the week, despite the heat.

SGT. IVAN L. IRWIN GETS MERITED PROMOTION

Sergeant Ivan L. Irwin, of Route No. 4, Greencastle, Indiana, has been promoted to Staff Sergeant and is on duty as a Platoon Sergeant with Company "C," 127th Engineer Combat Battalion, Camp Carson, Colorado.

Joining the Army in April, 1942, he received his basic training at Camp Chafee, Arkansas and was assigned to Camp Carson in April, 1944. He holds the Marksman medal for the M-1 rifle and the Sharpshooters medal for the carbine.

FUNERAL FRIDAY

Last rites for Henry Lyon, who died Wednesday, will be held Friday afternoon at 2 o'clock from the Rectory Funeral Home. Burial will be in the Providence cemetery.

20 Years Ago IN GREENCASTLE

Frank Bee was a visitor in Brazil. Dr. and Mrs. W. M. McGaughey and daughter Margaret Emily motored to West Baden.

Paul Wright returned home from a week's fishing trip on the Ohio river and visiting friends in Jennings county.

THOUGH HER SON, TOM, was the topic of the day due to his presidential candidacy possibilities, Mrs. George M. Dewey, charming mother of the New York racket buster, held the spot light while ladies of the press interviewed her in Chicago. She is shown in the top photo. Meanwhile, Gov. Thomas E. Dewey calmly downed a man-sized lunch in Albany, N. Y., and answered frequent phone calls. He is shown in lower photo. (International Soundphoto)

Meeting Planned At Wichman Farm

Tama and Vicland oats have proven as sensational as hybrid corn in their superiority over the varieties that they are replacing. They are short, stiff strawed, early maturing varieties of excellent yielding ability and high quality. Their outstanding merit, however, is in their disease resistance as both are resistant to the present strains of crown and stem rust which occur in Indiana and to present traces of smut. This disease resistance which has been demonstrated in both Experiment Station tests and farm experiences clear across the corn belt has given these varieties a very marked advantage over the older popular varieties which they are replacing. In Indiana about two years out of three, crown rust which is usually called red rust by the farmer, is abundant and takes its toll of yield and quality. That farmers have been tremendously interested in these varieties is indicated by the demand for seed that has exhausted the seed available in Indiana for 1944 plantings.

Anyone interested in these plots can look them over and hear them discussed by M. O. Pence of Purdue in a meeting called at the Fred Wichman farm in Clinton Township 10 A. M. July 6th. This meeting will be brief need not interrupt the days work for more than an hour, but the hour observing the performance of these will be time well spent according to County Agent David L. Grimes.

RULES ON CORN

INDIANAPOLIS, June 29 (UP)—Attorney General James Emmert today ruled that the legal weight of a bushel of shelled corn is 56 pounds with the moisture content not a factor, according to two Indiana statutes.

He told S. R. Miles, Purdue university agronomist, that a bushel of corn on the ear weighs 70 pounds until Dec. 1 and 68 pounds after that date. Emmert added that apparently the legislature took moisture content into consideration in determining the weight of ear corn.

Montgomery Ward Buys War Bonds

Putnam county's War Bond sales for the Fifth War Loan drive were boosted today by several large purchases. Montgomery Ward has allocated \$40,000.00 to Putnam county. The Baltimore and Ohio Railroad has come through with \$10,000.00 and the Indiana Railroad with \$5,000.00.

These purchases will help Putnam county considerably but success is not assured unless every citizen buys all the War Bonds that he can afford. The people are urged to get in touch with the workers in their townships if they haven't already been solicited. If it is more convenient, anyone may go to the nearest bank and the purchase will be credited to the township in which they reside.

Flying Tigers Work Overtime

WITH THE 14TH AIR FORCE IN EAST CENTRAL CHINA, June 29 (Delayed)—The Flying Tigers, aiding the Chinese army's defense of the vital Canton-Hankow railway, are fighting their most desperate air war since the Allied retreat from Burma in the spring of 1942.

Flying as much as 9 to 10 hours a day, fighter pilots are strafing Japanese troop concentrations, truck convoys and enemy barges on the Tungting Lake and Siang river near the railroad junction at Changsha.

The tension among the pilots here is greater than it has been during any previous air battle in China. The stakes in this fight for the 14th Air Force are tremendous—they're fighting not only for the Canton-Hankow railway but also for the precious air bases laboriously developed in eastern China during the past two years.

The Japanese are attempting to split China in two by capturing an unbroken railroad line from north China to Canton in the hope that Emperor Hirohito's troops can prevent probable Allied landings on the Chinese mainland.

HAS GOP NAME

FRANKFORT, Ind., June 29 (UP)—A 37-year old Frankfort railroader today had a special interest in the heads of the national ticket as selected by the Republican party. His name is Dewey Bricker.

But he proved elusive last night when reporters sought his opinion, due to his combination name of both the GOP candidates.

The telephone at his home went unanswered and personal callers were told he was "out." Dewey Bricker didn't choose to be quoted.

RED ARMIES IN DRIVE ON BERLIN FROM FRONTIER

SENSATIONAL GAINS MADE:
STRONGHOLD, GATEWAY
TO WARSAW DOOMED

MOSCOW, June 29 (UP)—Red armies stormed into the suburbs of Borisov, last enemy stronghold above Minsk, and to the south began a march on the Baranowice Gap, historical gateway to Brest-Litovsk and Warsaw.

Far to the rear, other Soviet units, tanks, guns and planes were pounding to pieces the doomed remnants of five enemy divisions encircled at Bobruisk and 12 others stranded between the Dnepr and Druht rivers west of abandoned Mogilev in a slaughter reminiscent of Stalingrad.

Rolling along the main Moscow-Minsk-Warsaw highway at an unprecedented pace, Gen. Ivan D. Cherniakhovsky's 3rd White Russian Army broke into the suburbs of Borisov, 45 miles northeast of Minsk, and threatened to overwhelm that outpost on the east bank of the Berezina river.

The advance carried Cherniakhovsky's forces more than 75 miles west of Orsha on the sixth day of the greatest Russian offensive in history—an offensive aimed squarely along the shortest invasion route to Warsaw and Berlin.

The 3rd Army yesterday captured Ostria, eight miles northeast of Borisov, after a 23-mile advance in 24 hours along the Moscow-Warsaw highway.

Cherniakhovsky also sent a spearhead south through Krugloye on the west bank of the Druht river in an attempt to link up with a column from Gen. Konstantin K. Rokossovsky's 1st White Russian Army that seized Klichev, some 50 miles to the south.

A junction of the two columns would complete the encirclement of the remnants of 12 shattered enemy divisions which yielded Mogilev, 40 miles south of Orsha yesterday after their commander, Lt. Gen. Bamler, and his staff were captured.

CHOICE CUTS OF LAMB BACK ON RATIONING LIST

WASHINGTON, June 29 (UP)—The Office of Price Administration today ordered choice cuts of lamb restored to the ration list and increased the point values of most beefsteaks and beef roasts in an effort to get better distribution of available meat supplies in July.

Effective Sunday, lamb roasts, steaks and chops will require ration points ranging from 10 for loin chops and eight for leg chops and steaks, to seven for leg and sirloin roasts.

All rationed cuts of beef will require two additional points during the four-week ration period beginning Sunday except 10-inch rib roasts and rump roasts, which were increased one point. This makes the highest point level for beef since rationing began.

DEWEY ACCEPTS GOP NOMINATION AS "A FREE MAN"

NEW YORK GOVERNOR BE-
COMES STANDARD BEARER
OF REPUBLICAN PARTY

CHICAGO, June 29 (UP)—Gov. Thomas E. Dewey took command today of the Republican party's 1944 effort to retire President Roosevelt to Hyde Park by challenging the administration as too old, unsure in foreign policy and futile on the home front.

"He will make a hell of a campaign," his associates promised as Dewey came perspiring from the Chicago Stadium last night where he accepted the Republican nomination for President of the United States. GOP hopes and enthusiasm are high today.

Dewey accepted the Republican presidential nomination last night with a pledge to "end one-man government in America," crush Germany and Japan's will to make war, and devote himself to "rewinning freedom" at home.

The Roosevelt administration, he told cheering delegates in the jam-packed Chicago Stadium, is grown "old and tired and quarrelsome in office," and is unequal to the great, pressing problems of war and peace.

Declaring that the military conduct of the war "must remain completely out of politics," Dewey said he wanted to make it "crystal clear" that any change in administration would not involve changes in the high command.

"General Marshal and Admiral King are doing a superb job. Thank God for both of them," he exclaimed. Flown here from Albany after his nomination the short-statured New Yorker told the perspiration-bathed delegates who hoped he will become the nation's youngest president:

"I accept the nomination."

"I come to this great task a free man," Dewey said in a prepared address. "I have made no pledges, promises or commitments expressed or implied, to any man or woman. I shall make none, except to the American people."

Asserting that "we shall not make secure the peace of the world by mere words," Dewey reaffirmed his support of the Mackinac Island declaration of the Republican party for responsible participation by the United States in an international security organization.

Governor Dewey landed in Chicago at 7:33 p. m.

Dewey's party which included Mrs. Dewey, advisers and newspapermen, was met by Governor and Mrs. Dwight Green of Illinois.

Governor Dewey arrived at the Stevens hotel, headquarters for his stay in Chicago, at 8:07 p. m. Side-walk spectators cheered. Dewey waved his hat and grinned. A large crowd had gathered in the hotel lobby to see him.

Shortly before he left Albany, Benjamin F. Feinberg, president pro tem of the New York senate, arrived there from the convention to become acting governor during the presidential nominee's absence from the state.

Normally, Lt. Gov. Joe R. Hanley would have taken over in Dewey's absence, but he also was in Chicago as a delegate.

A 1944 Republican ticket headed by Gov. Thomas E. Dewey for president with Gov. John W. Bricker of Ohio as his running mate, was nominated in a whirlwind session by a national convention that gave Dewey all its votes save one and made it unanimous for Bricker.

A lone delegate from Wisconsin, Grant Ritter, 55-year-old farmer of Beloit, cast his vote for Gen. Douglas A. MacArthur, explaining "he's still my candidate. We didn't get an opportunity to present him."

At the same time, Rep. Joseph W. Martin of Massachusetts, convention chairman, dispatched the following telegram to Dewey:

May I in behalf of this great Republican convention advise you of your nomination as president.

"Heartiest congratulations. We know you will make a winning president."

Wendell L. Willkie, who didn't like the foreign policy plank ratified by the convention, nevertheless was quick to congratulate Dewey.

"You have one of the great opportunities of history," he said.

FINED BY J. P.

Willie Cotton was fined \$1 and costs in Justice of the Peace Ota T. Ellis' court Wednesday. He was arrested on a charge of public intoxication by city police.

GERMANS MOVE AGAINST NORMAN ALLIED ADVANCE

ALLIED BOMBERS LASH AT
TROOP, MATERIAL REIN-
FORCEMENTS

LONDON, June 29 (UP)—One thousand American heavy bombers attacked war plants deep in central Germany today and later an Allied bomber formation 20 miles wide streamed eastward against Nazi Europe in a half-hour procession.

LONDON, June 29 (UP)—British and Canadian forces have engaged the enemy in heavy fighting north, west and southwest of Caen, a communiqué announced today.

More Allied forces have poured across the Orne river and the width of the bridgehead on the south bank southwest of Caen has been increased, the communiqué said.

Both sides were revealed to have thrown tanks into the fighting north and northwest of Caen.

ALLIED SUPREME HEAD- QUARTERS, LONDON, June 29—

(UP)—Germany has begun moving huge reinforcements from western France and the Reich itself for an anticipated final effort to smash the Normandy beachhead, aerial reconnaissance reports revealed today as the fiercest tank battles of the invasion raged around Caen.

"Extensive" German troop movements from the east toward Normandy have been sighted by allied reconnaissance planes for the first time since the start of the invasion 23 days ago, a headquarters spokesman disclosed.

Countering the threat, hundreds of British four-engine bombers smashed last night at the strategic eastern France railway centers of Metz and Blainville, through which the reinforcements were moving. Twenty bombers were lost.

The heavy troop movements were interpreted as an indication that the German high command at last has decided that the Normandy invasion represents Gen. Dwight D. Eisenhower's main invasion effort.

The enemy was believed to have delayed reinforcements beyond the present strength of 15-odd divisions his forces in Normandy because of the possibility that the allies may strike elsewhere in even greater strength. However, the loss of at least 50,000 killed, wounded or captured so far in the Normandy campaign probably forced the Germans' hand.

NYE TRAILS STAMBAUGH

BISMARCK, N. D., June 29 (UP)—Sen. Gerald P. Nye continued to trail Lyon Stambaugh, former national commander of the American Legion, in the race for the Republican senatorial nomination. Incomplete and unofficial returns from North Dakota's primary election Tuesday revealed today.

Nye, a veteran of 18 years in the Senate, polled 33,945 votes and Stambaugh 34,498 in 1,590 of the state's 2,250 precincts.

Rep. William Lemke, who has piled up 42,216 votes to lead all opponents, has been conceded one of the two GOP congressional nominations but a bitter close contest was shaping up for the second spot. Latest tally gave Milton R. Young 32,589 compared to 31,463 for Charles Robertson. The other four candidates were far out-classed.

In the race for the Republican gubernatorial nomination, Fred G. Anshel, former state senator, had a 15,000-vote lead over his opponent, Attorney General Alvin C. Strutz, who has conceded the election.

There were no contests for the Democratic gubernatorial and senatorial nominations.

Allies Advancing On Italian Front

ROME, June 29 (UP)—American armored forces crashed through bitter German resistance along the Italian west coast highway and drove forward more than seven miles to within 25 miles of Livorno (Leghorn), a communiqué reported today.

Other Allied columns were on the march northward along a broad front stretching more than 100 miles inland, shelling and bayoneting fanatical German rear guards from their makeshift defenses below Siena and in the hills around Perugia.

Allied headquarters revealed that the number of prisoners captured since the beginning of the offensive on May 11 has swelled to more than 32,000 men, of whom 25,000 were taken by the Fifth Army.

Everywhere the Nazis were halting desperately to delay the march on their Pisa-Florence-Rimini line, now only 35 to 55 miles beyond the advancing Allied columns, but front dispatches indicated they were beginning to crack under the sustained fury of the 5th and 8th army drive.

American tanks and infantrymen pounding northward on the war-torn coastal highway met increasing evidence of confusion in the enemy ranks. The Germans were losing heavily in men and equipment as a result of the devastating shell fire poured into them by fast-moving U. S. field guns. Stretches of the road were littered with enemy dead and the wreckage of tanks, trucks and guns.

Forward elements of the American column drove seven miles beyond captured San Vincenzo to the junction of the coastal highway with the Castagneto road, striking through a maze of felled trees, booby traps and mine fields sown by the retreating enemy.

Less than four miles inland, other American units captured Castagneto after a 3 1-2 mile advance from Sassetta and wiped out a company of Nazi troops that attempted to infiltrate their lines five miles east of Sassetta.

4-H CLUB NEWS

The Warren Township Victory Girls met at the School house, Wed. June 21st. The meeting was opened by the President, Joan Smith.

Minutes were read by the Secretary, Betty Sims. A salad demonstration was given by Marjorie Whitman also a demonstration on turning a hem was given by Betty Sims, after which the meeting was adjourned by the President. The next meeting will be held at the schoolhouse July 5th.

The Busy Beavers Baking 4-H Club of Greencastle met at 1:45 Tuesday June 20th, at the vocational building. The meeting was called to order by the president, Roll call was "What I Like Best to Bake."

We discussed about going to 4-H Camp and some baking booklets. The president will select a committee to help buy the groceries for the cake we will bake at the next meeting.

The two demonstrations were "Plain Loaf Cake", by Freda Purcell and "How to Measure," by Nina Crawley. The cake was tested by all present.

We played two social games. A new song called "I Pledge My All" was taught to the group.

Those present were: Freda Purcell, Barbara Reed, Wilma Buster, Betty Purcell, Mary Jane Albright, Nina Crawley, Susanna Gore, Shirley Stites, and Susan Stewart.

Two demonstrations were given at the regular meeting of the Greencastle, "Night Owls" in the Vocational building, Thursday, June 23 at 8:00 o'clock. The first demonstration was given by Marion Greenleaf on a chocolate pie. Betty Ann Baker gave one on washing dishes.

The meeting was called to order by the president, Velma Phillips.

Seven members answered roll call by telling what they read about 4-H Round Up. The secretary's report was read and approved. The members decided to have a picnic July 27th.

Mrs. Boomershine talked on camp. A motion was made to pay for the program books.

The meeting was then adjourned.

The Lads and Lassies met at the Clinton Center School house on Tuesday night, June 6. To start the meeting the Pledge to the Flag was held after which it was discussed when the next girls meeting would be held. Thirty three members were present. James Clodfelter led a prayer for Invasion Day. After the business three demonstrations were given. They were: Food Preparation, Betty Williams and Kaye Fine; How to place a pattern, Betty Ratcliff, Darning Socks, Enola Cunningham. Paul Wichman then led the group in games.

The next meeting will be June 27, at the School House and each member is to bring a pound.

TWO-YEAR-OLD PIN-UP MINERVA, O. (UP) — The latest in pin-up girls is two-year-old Sonira Sue Houze of Minerva who was selected the pin-up girl of Co. 1020 at Camp Green Bay, Wis.

Free Hearing Test Saturday

Free hearing tests and private demonstration of the new Symphonic Hearing Aid will be given Saturday, July 1, from 1:00 to 5:00 p. m. at the Commercial Hotel in Greencastle.

Mr. Finch, the local Acousticon representative will conduct these tests. If you desire a private demonstration at your home or at the Hotel at other hours you may phone him for an appointment.

The New Symphonic Acousticon has been called by many of it's users, the FINEST HEARING AID EVER MADE. It embodies magnificent craftsmanship which gives total clarity and beauty of sound to your grateful ears. Such an instrument is possible only because of the knowledge and skill accumulated by Acousticon Engineers and Technicians through 42 years of experience. This is the longest experience in the hearing aid industry.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 miles of tiny tubes or filters which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep. When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief, and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Now Many Wear FALSE TEETH

With Little Worry

Eat, talk, laugh or sneeze without fear of insecure false teeth dropping, slipping or wobbling. FASTEETH holds plates firmer and more comfortably. This pleasant powder has no gummy, gooey, pasty taste or feeling. Doesn't cause anise. It's alkaline (non-acid). Checks "plate odor" (denture breath). Get FAS*EETH at any drug store.

ATHLETES FOOT GERM NOT HARD TO KILL

The germ grows deeply. To reach it, use a penetrating fungicide. Many remedies do not penetrate sufficiently. TE-OL solution, made with 90% alcohol, PENETRATES. Kills the germs it reaches. APPLY FULL STRENGTH for itchy, sweaty or smelly feet. Your 35c back tomorrow from any druggist if not pleased. Locally at R. P. Mullins.
